UNLOCKING THE MYSTERY OF THE BIBLE (8 sessions)

Many people want to read the Bible because they know it is God's Word but give up because it is so complicated. This study helps you to get the "big picture" of the Bible by showing how fourteen narrative books of the Bible tell the complete story from Adam and Eve to Christ and the Church. In this video-based study, presenter Jeff Cavins will show you how to read the Bible so that you can actually understand it. Unlocking the Mystery of the Bible will help you discover the story of salvation history and understand how you fit into God's plan.

A Look Ahead to 2021

THE SEARCH (7 Sessions)

The Search Begins in January 2021! We are all searching for something. *Why am I here? Where did I come from? What happens when I die?*

We find the answers to life's big questions when we wrestle with them in faith. In fact, the story of human history has largely been a story of faith. We need a relationship with our maker—a relationship with life—to make sense of all of this. *Where am I going? Who am I journeying with along the way?*

The Search is a powerful new video-based Catholic experience hosted by Chris Stefanick and featuring scientists, astronauts, artists, and fellow searchers who uncover the answers to life's big questions on happiness, purpose, meaning, and faith. The Search video series has something for all of us, even those who are away from the Church but are still seeking, and those who have never considered faith before.

In person, Virtual and "on your own" options will be offered. Session dates & times coming soon!

The One Thing is Three: How the Holy Trinity Explains Everything (10 sessions)

Far from being an academic read, The 'One Thing' Is Three makes deep theology accessible to everyday Catholics. What's more, it makes even what's familiar or forgotten new, exciting, and relevant.
